<p>1. List PEAB recommendations and program responses to the recommendations.</p>	<p>1. The PEAB members recommended that they look at the key assessments for the teacher certification programs. Response: All members received a copy of the key assessments for the teacher certification programs and key assessment grids for each program. They will asked to provide feedback.</p> <p>2. It was suggested that the School of Education create a notebook of information for PEAB members to help them prepare for the upcoming NCATE Focus Visit. Response: The group was asked if it would be more helpful to invite the Dean of the School of Education to the first meeting in the fall and the group felt that meeting would be an excellent place to ask questions.</p> <p>3. It was suggested that the certification programs require teacher candidates to complete a field experience prior to acceptance into the teacher certification program. Response: The teacher certification programs were revised to include a field experience in Level 1 before entrance into the program.</p> <p>4. As a result of the review of WAC code 182-78A-261 it was suggested that the library and School of Education work together to report new acquisitions. Response: This will be something the Teacher Education department would like to continue to discuss,</p>
